## OUTSTANDING EXPORT SALES--AS OF JANUARY 20, 1974

Outstanding export sales for the 1973-74 and 1974-75 marketing years as of January 20, 1974 showed only minor changes from a week earlier, as released today by the Crop Reporting Board.

A comparison of January 20 with a week earlier shows that the aggregate of outstanding sales for the 1973-74 marketing year combined with cumulative exports were 1 percent higher for soybeans and 4 percent higher for rice. All other commodities showed little change from the previous week.

Total outshipments of major agricultural commodities were above the level of the previous week, but below those of two weeks earlier.

ALL WHEAT exports, at 463.9 thousand metric tons, accounted for nearly all the change in outstanding export sales over the one week period ended January 20. Outstanding sales for the 1974-75 marketing year declined about 2%, as cancellations and foreign purchases slightly overbalanced new sales.

Some 804.2 thousand metric tons of feed grains left the U. S. over the seven day period covered by this report. To date, about one-third of the 1973-74 contract quantities have been exported. Contracts for the 1974-75 period rose sharply led by a 26% rise in corn commitments.

Foreign commitment of U. S. produced soybeans rose by slightly more than 1% during the survey week. Outshipments of 312.1 thousand metric tons were almost offset by new sales, leaving a balance outstanding about equal to the previous week. A slight increase was also noted in contracts for delivery in 1974-75.

Exports during the week of all upland cotton were 106,000 running bales. Exports have declined each week during January. To January 20, about one-third of 1973-74 contract quantities had been shipped. The week's activities produced a 15% increase in 1974-75 outstanding sales.

All rice rose 4% over the week ended January 20. In spite of a 20.2 thousand metric ton export, outstanding contracts increased 1%.

OUTSTANDING EXPORT SALES AND EXPORTS - MARKETING YEAR 1973-74  
Summary and Comparisons of Selected Commodities
